Re: Proposed AC-EXTEST standard Patent Statement

Dear Mr. Eklow:

Cisco Systems Inc. is the owner of at least one pending patent which may issue with claims relating to the proposed IEEE **AC-EXTEST Standard** and subsequent revisions. In the event the proposed AC-EXTEST standard is adopted and the standard cannot be practiced without the use of one or more Cisco Patents, Cisco Systems agrees upon written request to grant a nonexclusive license under any necessary claims of such patent(s) on a nondiscriminatory basis and on reasonable terms and conditions, with reciprocity, for the purpose of implementing the standard.

This letter does not grant any right to the IEEE with respect to Cisco Systems' copyrights or other intellectual property rights that relate to the proposed standard. Any party interested in the license described above may write to:
