

Suggested Time Line for IEEE 1451.5 Proposal Submission & Balloting Process

Submitted by

Ken Cornett, Ed Callaway (Motorola Inc.),
Lee Eccles (Boeing Inc.)
Michael Moore (Oak Ridge National Lab)

- 14 Jan '03 Call for Proposals is Issued. Proposal Template and any informational material posted on the designated WG web site.
(If not issued by week of 1/14, subsequent dates may be compromised!)
- 28 Feb '03 Deadline for Organizations to submit a Letter of Intent (LOI) to propose. List of organizations indicating intent is posted on 1451.5 web site ASAP.
N.B. - only those organizations filing a LOI are eligible to submit.
- 28 Mar '03 Deadline for organizations to submit a Proposal conforming to Template Proposal documents should be posted on 1451.5 web site ASAP.
(N.B. – only those organizations submitting a conforming proposal are eligible to submit or modify proposals in any subsequent stage.)
- 08 Apr '03 Presentation of Proposals to 1451.5 WG (with Q&A period for each)
N.B. - proposals are effectively “frozen” from March 28 to April 8.
- 16 May '03 Deadline for Submission of Final Proposals, to be posted on web ASAP.
- ~03 Jun '03 at Sensors Expo, Presentation of Final Proposals (with Q&A) & Balloting
