P1451.5-Prop9.pdf

From: Steven Chen, Working Group Chair

Decisions need to be made on IEEE P1451.5 by the working group members. Working group participants are invited to present discussion on any of the following items in the following teleconference meetings – 10/14, 10/28, 11/4, 11/18, 11/25. Please forward your Powerpoint presentation(s) to Steven Chen [schen@3eti.com] and Kang Lee [kang.lee@nist.gov] for distribution to the working group members and posting on the P1451.5 website prior to the meeting. These items will be voted on November 25, 2003.2003 by qualified working group members.

- a. Converging layer
 - i. layer 5-7 only
 - ii. layer 5-7 but allowing lower layer options
 - iii. lower layer such as layer 2

- b. QoS
 - i. optional
 - ii. must have
 - iii. time stamp (IEEE 1588)
 - iv. future
