P2413 Working Group Membership Information

Brenda Mancuso, IEEE-SA
IEEE P2413 Working Group Membership

• **Overview:**
  • Membership Criteria
  • Members/Observers/Visitors
  • WG Governance Documents
IEEE P2413 Membership Criteria

• **IEEE P2413 is an Entity-Based Working Group**
  - The entity method of participation means that membership in the working group (and later, in the IEEE sponsor ballot group) is by entity (one company=one vote).

• **Working Group Members Must Meet the Following Criteria:**
  1. An entity must be an IEEE-SA Advanced Corporate member to attain membership and voting rights in an entity-based working group. You can find more information about the benefits and fees associated with IEEE-SA Advanced Corporate membership at http://standards.ieee.org/membership/index.html
  2. An entity shall declare their intent to join the Working Group
  3. An entity shall pay working group services fee, if established. The current fee is US$2900.00 for this period (through July 2016). Members are required to pay this fee to maintain their membership.
IEEE P2413 Membership Criteria

Working Group Members

• Any entity can request membership in the Working Group at any time
• Each working group entity must assign one Designated Representative (DR) and may assign one or more Designated Representative Alternates (DRAs).
• Voting rights are granted to entity members after attending 2 consecutive WG meetings.
• Current WG members: http://grouper.ieee.org/groups/2413/member-list.html
IEEE P2413 Members/Observers/Visitors

Working Group Members are either voting or non-voting:

– **Voting Member**
  - Advanced IEEE-SA Corporate Membership, has paid Working Group services fees, and has met the attendance requirement.

– **Attaining or Non-Voting Member**
  - Advanced IEEE-SA Corporate Membership, has paid Working Group services fees, but has not met the attendance requirement.
IEEE P2413 Members/Observers/Visitors

Observers
- Basic IEEE-SA Corporate members are permitted to attend an unlimited number of corporate standards working groups as an observer only.
- Advanced IEEE-SA Corporate members are also permitted to attend as an observer.

Visitors
- Non-Corporate entities may attend one working group meeting to help them determine their interest in becoming a member/observer.
