

July 1999

**To: IEEE 802 Members & Attendees -**

This package contains the following information on the upcoming IEEE 802 plenary for November 1999:

- Hotel and registration information for the November plenary to be held at the Hyatt Regency Kauai Resort & Spa in Koloa, Hawaii, during the week of November 8-12, 1999.
- Hotel reservation form for mail or fax (or you may also reserve your room by telephone).
- A letter explaining the reasons for holding the November 802 Plenary meeting in Hawaii.
- Information on airline and rental-car group discounts available for IEEE 802 attendees.
- Pre-registration for this meeting is strongly encouraged because **it will save you \$50** and much time spent waiting in line at the On-site Registration Desk. For the November plenary meeting the fee for pre-registration is **\$250** and the fee for on-site registration is **\$300**.
- In order to pre-register you are required to provide valid credit card information for the payment of the pre-registration fee (\$250) before the pre-registration deadline. After the deadline you are required to pay the on-site registration fee (\$300). Credit cards which fail to authorize the charge on that date, may require you to register on-site at the higher rate (\$300), so check you expiration date now !!!
- We are encouraging you to use our email pre-registration process for this meeting, although we will continue to support our mail and fax pre-registration processes.
- IEEE 802 Plenary - Basic Meeting Agenda.
- Reminder of dates and places for future IEEE 802 plenary meetings (1999-2002).

**Note:** We no longer provide mailed meeting announcements. Meeting information will continue to be available on the IEEE 802 web site at: <http://grouper.ieee.org/groups/802/meeting/> . Please check it for possible late updates. We also have an email exploder for keeping folks posted on late breaking plenary meeting information (e.g. overflow hotel arrangement, hotel goofs or confusion, pre-registration reminders, etc.). To get on this list and stay informed send email to: [majordomo@majordomo.ieee.org](mailto:majordomo@majordomo.ieee.org) with no subject and with the following 2 lines appearing first in the body of the message:

**TO:** IEEE 802 Members, Liaisons & Attendees

**FM:** Everett O. Rigsbee, Executive Secretary, IEEE 802

**Subject: IEEE 802 LAN/MAN Standards Committee (LMSC) Plenary Meeting Announcement**

The IEEE 802 LMSC November plenary will be held during the week of November 8-12, 1999 at:

**Hyatt Regency Kauai**

**1571 Poipu Road**

**Koloa, HI 96756**

**Phone: (808) 742-1234 or 800-742-2353 Fax: (808) 742-6265**

The 802 Conference rate ranges from \$165 up to \$250 US + tax per night single/double/twin occupancy. The rate varies depending on the location and view (see hotel reservation form). These rates are available for 802 attendees from October 29 through November 21, 1999, subject to room availability. Please make your room reservations directly with the hotel using the attached IEEE 802 Hotel Reservation Form or by phone. If making reservations by phone, please be sure to identify yourself as a member of the **IEEE 802 Group** to get these special group rates. For this meeting we have arranged a room-block of 420 rooms which will be reserved for IEEE 802 attendees until the reservation cut-off date:

**Hotel Reservation Deadline (Room-block Cut-off) is Friday, October 1, 1999**

**Please note:** Reservation requests received after this date will be accepted on a space available basis and will still honor the 802 conference rates. One night (room + tax) deposit or major credit card guarantee will be required to guarantee your reservation. A deposit will be refunded or guarantee released if the reservation is cancelled at least forty-eight (48) hours prior to arrival date and time. Late cancellations and "no-shows" will be assessed a one night room and tax penalty.

**The Deadline for Pre-registration is Wednesday, October 27, 1999.**

**Meeting Registration:** You are encouraged to pre-register for this meeting using email, regular mail, or fax (see the attached forms and information). The pre-registration fee of **\$250 US** must be paid by credit card and received no later than Wednesday, October 27, 1999. Alternatively, you may wait and register on-site at the meeting. The fee for on-site registration will be **\$300 US**, and this can be paid by Visa, MasterCard, American Express or Discover Card, by personal, company, or traveler's checks (in US\$ only), or by US cash. All checks must be made payable to "IEEE 802". Plan to stop by the IEEE 802 Registration Desk on Sunday evening from 5-8pm or Monday from 8am-5pm to collect your pre-registered packet or to complete on-site registration for the meeting. At that time you will receive the latest agenda for all of the week's meetings and events. The 802 Executive Committee meets Monday at 8am, and **the 802 Opening Plenary Session begins promptly at 11am.**

**General Info:** The Hyatt Regency Kauai is located on a spectacular 50-acre oceanfront setting on Keonelo Bay in Poipu. It features many attractions including river-pools, waterfalls, 150-foot waterslide, freshwater pools, 5 acres of natural beach-rimmed salt-water lagoons, and world-class spa. The hotel itself has many shops, a nightclub, 4 wonderful restaurants, and superior meeting space. Situated 20 minutes South of Lihue Airport, a rental car is recommended (see the AVIS flyer for more details) and parking is free. Be sure to make your reservations early this time, because if you miss our room block cut-off date, you may have a very difficult time finding anything comparable at a competitive rate.

If you require further information regarding this meeting, please contact the IEEE 802 Conference Organizers at Phone: (408) 241-8906, Fax: (408) 241-8918, or **New Email:** [802info@ieee.org](mailto:802info@ieee.org), or you may check the IEEE 802 worldwide website at: <http://grouper.ieee.org/groups/802/meeting/>.

Sincerely,

Everett O. Rigsbee, Executive Secretary, IEEE 802

# Why Hawaii ???

To Whom It May Concern:

For several years IEEE 802 has been looking for an opportunity to hold an IEEE 802 Plenary session in a location that would be more convenient for our attendees from the Far East and Australia. They have regularly travelled great distances, at high costs, to contribute to and support our LAN and MAN Standards activities. We believe that holding one of our plenary meetings in their part of the world would be a fine way of acknowledging their many contributions to our work, and would permit some of their colleagues to attend one of our sessions. This was already done for our European contributors in July of 1996, when we held our plenary session at the University of Twente in Enschede, Netherlands.

Unfortunately, the economic realities of the high costs to hold an 802 Plenary in Japan or Australia have thwarted our best efforts to find an acceptable venue there. Therefore we have selected a compromise site, namely Hawaii, where we can still get an American-style conference package-deal with the hotels. Hawaii requires 5 hours less flying-time each way, and about \$1,200 less expense for our Far Eastern and Australian attendees, while assuring us excellent meeting facilities with all the support and services we expect at our plenary meetings.

Some of our attendees have expressed their concern that Hawaii's widespread reputation as a "vacation spot" may cause their company management to view an 802 Plenary meeting held in Hawaii as "a company-paid vacation" or "a boondoggle," and to not approve their request to attend such a meeting. Because of this concern, I have agreed to draft this letter explaining the reasons for selection of the Hawaiian site. I would also like to provide assurance that this meeting will be a full working 802 Plenary session with excellent conference facilities that will ensure fully productive sessions for all of our 802 working groups.

We have made every effort to keep the costs for this Hawaiian meeting in line with the costs we have typically seen at our previous meetings. We are confident that the total costs for this meeting will not show more than a 10-15% increase for our US and European based attendees.

I hope to see you all present at our Hawaii meeting. I'm sure it will be one of our most productive meetings ever.

Sincerely,

Everett Rigsbee

Executive Secretary, IEEE 802

## IEEE 802 - Airline Discount Information

AMERICAN, DELTA, and UNITED Airlines have joined with IEEE 802 to offer special convention air fares, not available to the general public, when you attend the meeting on **November 8 - 12, 1999** at the Hyatt Regency Kauai Resort & Spa, Koloa, Hawaii. Discounted airfares are available to Lihue Municipal Airport.

IEEE 802 has made arrangements with American, Delta and United airlines to provide you with discounts of **5%, 10%, or 15%** off current published fares. Please note that seats are limited and that some restrictions do apply on all fares, so call early for best choice and availability. Fares are guaranteed only at time of purchase. To obtain the best fare and schedule information please contact the Airline's Convention Desk at the numbers listed below.

If you purchase tickets from a local travel agent, be sure that your travel agent contacts the appropriate Airline Convention Desk and provides the **IEEE 802-account number**. Your travel agent will still receive their normal commission and you will receive a more cost-effective fare.

## Plenary Meeting Pre-Registration Procedures - by Fax or Mail

**Note: Deadline for Pre-Registration is: Wednesday, October 27, 1999.**

The IEEE 802 Executive Committee is pleased to offer you the opportunity to pre-register for future IEEE 802 Plenary meetings. This will save you **\$50** and eliminate the need for you to stand in a long on-site registration line while at the meeting. The following describes the procedures for pre-registration by fax or mail for 802 plenary meetings. A procedure for e-mail pre-registration is described separately.

1. Pre-registration requests will be accepted through Wednesday, October 27, 1999. Requests arriving after this date will be processed at the meeting and be charged the higher on-site registration fee (\$300.).
2. Within 5 business days of receipt of your request you will be sent a confirmation of receipt by e-mail or fax. If after 5 days you have not received your return confirmation, please send your request again. Please bring your confirmation number with you to the meeting as proof of pre-registration.
3. The fee for pre-registration is **\$250**. At this time, the only means of payment for pre-registration is by major credit card. VISA, MasterCard, American Express and Discover cards are acceptable. Company, personal and traveler's checks (in US \$) and US cash will continue to be accepted for on-site registration at the higher on-site registration rate of **\$300**.
4. Your credit card will not be charged until Wednesday, October 27, 1999. However, if your credit card fails to authorize the charge at that time, you will be required to provide payment at the meeting. So check your expiration date now.
5. You will still need to pick up your name badge, receipt, agenda, and other relevant meeting materials at the registration desk. A separate table will be set up for pre-registered attendees for your convenience.
6. If you should be unable to attend the meeting, please notify the 802 Conference Organizers by phone or email at least 72 hours before the start of the meeting (i.e. no later than 1:00pm PST, Fri, 11/5/99) to ensure no cancellation fee is incurred. Cancellations received before this deadline will receive a full refund of \$250 US. Cancellations received after the deadline but before close of the meeting will get a partial refund of \$225. If no notification has been received by the close of the meeting (1:00pm PST, Fri, 11/12/99), the refund will be reduced to \$200.
7. We encourage you to pre-register by email or by completing the pre-registration form on the next page and sending it by fax or mail to the address on the form.

Pre-registration has been introduced to expedite the registration process, and to avoid the long registration lines. We hope you will pre-register, if possible, and help to create a more efficient and professional environment for our meeting.

# IEEE 802 Plenary Pre-Registration by Email !!!

**Note: Deadline for Pre-Registration is: Wednesday, October 27, 1999**

We are now providing a means for you to pre-register for IEEE 802 Plenary Meetings by email. We would like to encourage you to use this service for the upcoming November 8-12, 1999 Plenary Meeting at the Hyatt Regency Kauai in Koloa, Hawaii. All that is required is to fill in the information requested below and email this form to:

[802info@ieee.org](mailto:802info@ieee.org)

Within 5 business days you should receive back an email confirmation of the receipt of your registration or an indication of additional information or clarification required. Since email is an imperfect process, if you have not received a response within a week, just "send again" (resend) the same message. Your confirmation will include a confirmation number which you should bring with you to the meeting as proof of registration to protect against the possibility of clerical error (we're all human!).

Some 802 members have expressed concern about sending credit card information via email. Where some systems today have the ability to send secure email (encrypted), many systems don't, and where the risk of email interception by crooks is small, the potential for hassle if it happens is large. For these reasons, we will be offering two options for processing the **\$250 US** payment for your email pre-registration:

1. You may fill-in your credit card info below and send via email.
2. You may request that we use the same credit card info, which you provided for registration at a previous plenary meeting (i.e. Mar-99-Austin, or July-99-Montreal. Sorry, no information for earlier meetings is available). Please ensure that your credit card expiration date has not changed or you may be required to register on-site at the higher rate (\$300). You are responsible for providing usable credit card information.

Once you have credit card information on-file, you may request that we keep it on file for use in processing e-mail pre-registrations for future meetings.

Email pre-registrations will be accepted through Wednesday, October 27, 1999. Email received after this date will be processed at the meeting. Your credit card will not be charged until Wednesday, October 27, 1999. Credit cards, which fail to authorize the charge at that time, may require you to register on-site at the higher rate (\$300), so check your expiry date NOW !!!.

## **PLEASE NOTE - Cancellations Are Now Required:**

If you should be unable to attend the meeting, please notify the 802 Conference Organizers by phone or email at least 72 hours before the start of the meeting (i.e. no later than 1:00 pm PST, Friday, Nov. 5, 1999) and you will receive a full credit to your credit card (\$250). If notification is received after this deadline but before close of the meeting, a cancellation fee of \$25 US will be deducted from your refund (i.e. refund will = \$225). If no notification of cancellation is received by close of the meeting (i.e. by 1:00 pm PST, Friday, Nov. 12, 1999), a "No-Show" fee of \$50 US will be deducted from the refund to your credit card (i.e. refund will = \$200).
