

# Task Group d (TGd)

- Summary
  - Total of 11 contributions
    - 8 Errata
    - 1 proposed STC preamble change
    - 1 summary of Contributions 1 - 8
    - 1 System Profiles for OFDMA with AAS
  - 1 proposed STC preamble change rejected with notion that contributors prepare additional/backup information for the next session.
  - 1 System Profiles for OFDMA with AAS discussed. Suggestion is to use System Profiles for 10-66 GHz as template for System Profiles.

# Task Group d (TGd)
