Major Clause 1 issues

- Technical issues
  - #100: Don't describe spatial, if spatial unsupported
    - Eliminate concept of subclassA0 BW reuse
  - #163: Can echo be multicast?
    - Introduction=>OAM(inactive)=>WG
  - #154, #155 No informative annex cross-references
    - (?This incorrectly implies annex is normative?)
  - Remove accurate informative text
    - (?This makes the overview large?)
