ITU SECURITY NAME BADGE REQUIREMENTS

- All Registered Attendees will be required to obtain an ITU Security Name Badge. In the days leading up to the July 2013 IEEE 802 Plenary Session each participant will receive a letter of confirmation of registration via email from ITU (may take up to 14 days). This letter will contain important information about how and where to obtain your security name badge for the event. Do not misplace this letter; it and your passport will be required to obtain your badge onsite in Geneva.
- Please see the [ITU Registration Confirmation SAMPLE LETTER](#) for more information.

VISA LETTERS & REQUIREMENTS

IEEE will not issue VISA Letters for the July 2013 IEEE 802 Plenary Session. Please review the enclosed ITU information for more details. **The visa must be requested at least four (4) weeks before the date of beginning of the meeting** and obtained from the office (embassy or consulate) representing Switzerland in your country or, if there is no such office in your country, from the one that is closest to the country of departure.

If problems are encountered, the Union can, at the official request of the administration or entity you represent, approach the competent Swiss authorities in order to facilitate delivery of the visa but only within the period mentioned of **four weeks**.

For any such request, a covering letter (**with letterhead, address and the sender's title and legible signature**) stamped and signed by the person responsible for the delegate's entity must be sent to TSB by fax (+41 22 730 5853) or e-mail (tsbreg@itu.int) bearing the words "**visa request**". A model of such a letter can be at: <http://www.itu.int/en/ITU-T/info/Pages/visas.aspx>

It must specify the following information of the applicant(s) for whom the visa(s) is (are) required: full name and functions; place and date of birth; passport number: place and date of issue, and expiry date; the title and dates of the meeting in question and must be accompanied by a **very clear and legible copy of the passport and a copy of the notification of confirmation of registration** approved for the ITU-T meeting in question.

Please contact the IEEE 802 Meeting Planners should you require additional information or assistance with registration services for the July 2013 IEEE 802 Plenary Session.

IEEE 802 PLENARY SESSION HOTEL GROUP RATES

IEEE 802 has made a special arrangement with Manotel Group's 6 business class hotels in downtown Geneva to provide rooms with special rates for IEEE 802 Plenary Session attendees.

ALL IEEE 802 GUEST ROOMS ARE SUBJECT TO AVAILABILITY

- **GUARENTEE:** Each Manotel hotel provides guaranteed reservations via major credit card
- **CANCELLATION:** Up to **11 days** before the arrival date, no penalty.
From **10 days** before the arrival date, the first night's room will be charged.

NO SHOWS

Unless the hotel has been notified of a delayed guest arrival and rescheduled the reservation, a room guaranteed will be held until 8am of the next morning at which time the reservation will be cancelled and one night's room will be charged.

ITU HOTEL RESERVATIONS

ITU maintains a [list of hotels and residences](#) of varied categories in or near Geneva that offer special rates to delegates attending conferences or meetings at the ITU. The list requires use of a standard [booking form](#). A PDF copy of the full hotel list is available at: <http://www.itu.int/travel/hotels.pdf>.

Follow the procedure below to make a reservation for a hotel room with the ITU special terms:

- Delegates must reserve a room directly (i.e. not through an intermediary such as a travel agency, airline, etc.) with their chosen hotel from the [list](#) by phone, fax, or email.
- They must confirm the booking by mailing or faxing this standard [booking confirmation form](#), which must provide valid credit card information to secure the hotel room guarantee.
- Bookings that are not guaranteed by a credit card will be held only until 18.00 hours.
- When checking in, delegates may be required to provide evidence that they are attending an ITU meeting or conference (i.e. show badge or invitation letter).

TRAVEL INFORMATION

Please note the following basic information below. A more complete [document](#) outlining some practical information is available on the Plenary Session at: <http://802world.org/plenary>.

- Official Language is French and the Currency is the Swiss Franc
- [Geneva airport \(GVA\)](#) is 3 miles north of the city of Geneva and Geneva city centre is only 6 minutes by train (every 15 minutes). A free ticket (for immediate use) for 80 minutes of travel on Geneva transport system can be obtained just before the customs control area.
- Electrical power is 230 VAC, 50 Hz, using the Type C [Europlug](#). The Swiss SEV 1011 has a diamond-shaped recessed entry. Some Type C Europlug adapters are too large to fit into this receptacle. Make sure your adapter is designed to work with both receptacles.
- Visitors to Geneva receive a free [Geneva Transport Card](#) from their hotel at check-in. This card provides unlimited use of the entire public-transportation network.
