Update on Conference Calls

- Moving to 10:30 AM Pacific, Wednesdays
 - Reserve the time and WebEx information
- Announce socialization and distribute your item(s) on the reflector by Monday 5pm Pacific time before each Wednesday
 - Call will be cancelled Tuesday AM if nothing submitted
- We Need Focus:
 - Fill holes in the draft: summary presentations and draft content (!), remaining 802.3 architectural items, layer interfaces, etc.
- Next potential call: Wednesday, 23 July 2014
- No call on 6 August 2014

THANK YOU
