DATE:	26th Jan, 2007
NAME: COMPANY/AFFILIATION	David Law
E-MAIL:	David_Law@ieee.org
REQUESTED REVISION:	
STANDARD:	IEEE Std 802.3an-2006
CLAUSE NUMBER: CLAUSE TITLE:	
CHAOSH IIIHH.	Chelo
PROPOSED REVISION T	EXT:
In figure 55-23 'Oct 14'.	5 to Oct 12' should be changed to read 'Oct 5 to Oct
RATIONALE FOR REVIS	ION:
The text description	n is very explicit and says that the crc16 should be
	to out 14 changes the Dimens EE 02 chang it being
	to oct14 whereas the Figure 55-23 shows it being
	to oct14 whereas the Figure 55-23 shows it being to oct12 in the bottom right corner.
	to oct12 in the bottom right corner.
calculated on oct5	to oct12 in the bottom right corner. NETWORKS:
calculated on oct5 IMPACT ON EXISTING : The text description	to oct12 in the bottom right corner. NETWORKS: n is correct however if the figure is used as guidance
calculated on oct5 IMPACT ON EXISTING The text description there could be an expression	to oct12 in the bottom right corner. NETWORKS: n is correct however if the figure is used as guidance rror in the implementation. The figure should
calculated on oct5 IMPACT ON EXISTING : The text description	to oct12 in the bottom right corner. NETWORKS: n is correct however if the figure is used as guidance rror in the implementation. The figure should
calculated on oct5 IMPACT ON EXISTING The text description there could be an expression of the could be an expression.	to oct12 in the bottom right corner. NETWORKS: n is correct however if the figure is used as guidance rror in the implementation. The figure should ted.
