8802-3/802.3 REVISION REQUEST 1234	2
++	3
	4
DATE: 5th Jan, 2011	5
NAME: Michael J. Bennett	6
COMPANY/AFFILIATION: LBNL/LBNL	7
E-MAIL: mjbennett@lbl.gov	8
	9
REQUESTED REVISION: There are several places within the standard where	10
text is missing due to an error in the process of searach and replace	11
when editing the document. This is a request to insert the missing text	12
as indicated in the proposed revision text.	13
The condition and proposed according to	14
STANDARD: IEEE Std 802.3az-2010	15
CLAUSE NUMBER: 70	16
CLAUSE TITLE: various	17
021302 11121 1412045	18
PROPOSED REVISION TEXT:	19
In Subclause 70.1	20
	21
replace:	22
Teplace.	23
This transmission will be detected by the remote	24
PHY, causing it to also exit the .	25
ini, dadding it to also only the .	26
With	27
	28
This transmission will be detected by the remote	29
PHY, causing it to also exit the low power state.	30
	31
In Subclause 70.2.2	32
	33
	34
replace:	35
	36
This primitive is generated by the PCS Transmit Process when EEE	37
is supported to indicate that the PMA and PMD transmit functions	38
may go into a and to disable the PMD transmitter.	39
	40
With	41
	42
This primitive is generated by the PCS Transmit Process when EEE	43
is supported to indicate that the PMA and PMD transmit functions	44
may go into a low power mode and to disable the PMD transmitter.	45
	46
In subclause 70.6.10	47
	48
replace:	49
	50
If EEE is supported, the PMD transmit function enters into a	51
when tx quiet is set to TRUE and exits when tx quiet is set to	52
FALSE.	53
	54

```
1
With
If EEE is supported, the PMD transmit function enters into a
                                                              4
low power mode when tx quiet is set to TRUE and exits when
                                                              5
tx quiet is set to FALSE.
                                                              6
______
                                                              7
                                                              8
                                                              9
                                                              10
                                                              11
RATIONALE FOR REVISION: complete sentences with missing text
                                                              12
                                                             13
