Subject: IEEE P802.3 (Revision to IEEE Std 802.3-2012) draft available for review

Approval: Agreed to at IEEE 802.3 Plenary meeting, Berlin, Germany [date]

Dear ISO/IEC JTC1 SC 6 Secretariat,

IEEE 802.3 would like to notify the ISO/IEC JTC1 SC6 membership that the IEEE P802.3 (Revision to IEEE Std 802.3-2012) draft is available for review.

[Draft access information.]

The IEEE 802.3 Working Group values the review of this draft by SC6 National Bodies. Early review by the SC6 National Bodies during the Sponsor Ballot process allows IEEE 802.3 to address any significant issues prior to final approval by IEEE-SA and subsequent submission to ISO/IEC JTC1 for ratification as ISO/IEC standards.

It is suggested that SC6 National Body respondents send their comments to ISO/IEC JTC1 SC 6 Secretariat who will then forward them to the IEEE 802.3 Working Group.

Sincerely,
David Law
Chair, IEEE 802.3 Ethernet Working Group
