Reference  Item 12.00

Stephens would take the action to write the liaison if / when approved

Sudden development of a simplex excessive echo with Roger Marks voice connection, cause unknown, required Marks to disconnect and call back-- required him to call back in

It was indicated that there was no hard time line requirement to submit such a communication.

Action Item - Stephens - take the summary of this discussion back to 802.11.

Action Item – Stephens provide a summary of feedback from 802.11 to the EC.
D’Ambrosia gave verbal reminder to everyone regarding endorsement / affiliation letters. He reminded people to use the email address noted in the email that went out, and to make sure not to use email from his prior affiliation. He also noted that he is sending confirmation emails upon receipt of endorsement / affiliation letters, and individuals should contact him if they don’t receive a confirmation email.

**Action Item - All individuals who will stand for a position requiring confirmation to send their endorsement / affiliation letters to D’Ambrosia**

Roger had one information item. Marks indicated that the IEEE-SA staff have agreed to documentation that was approved by consent agenda item.

**Action Item - Marks to forward email from IEEE-SA Staff indicating acceptance of documentation approved by Agenda Item 9.0**

**Action Item – Nikolich to provide Karachalios with completed signed letter for signature.**

D’Ambrosia did verbal summary –

**Action Item - D’Ambrosia to send out summary of action items to reflector.**

**Action Item – Rosdahl to provide title of “hold” music prior to start of EC meeting**

Meeting adjourned at 2:46pm.
