Travel

Travel from Orlando International airport has many services running people from the airport to Port Canaveral (area where the hotels are) and the hotels may also have shuttles.

Travel to Miami is about 5 hours but there is Tri-rail train service from Miami airport to West Palm Beach, FL and we can arrange a shuttle from there to Port Canaveral once your time is confirmed. <http://www.tri-rail.com/miami-airport-station/>

Melbourne, FL airport is about 45 minutes from Port Canaveral but does not have a lot of flights.
