

**IEEE GYRO AND ACCELEROMETER PANEL (GAP)**

**Membership Application**

This written form must be returned to the panel Chair to attain panel membership. Required yearly renewals may be done from the private page of the panel web site or by using this form at the start of each year.

Please check only one of the following boxes:

- I wish to be a voting member of the IEEE Gyro and Accelerometer Panel. Voting members can participate in and vote on all panel and committee actions. Voting membership requires active meeting participation as described in the panel operating procedures.
  
- I wish to be a member of the IEEE Gyro and Accelerometer Panel. Members can participate in (but not vote on) panel actions and can participate in and vote on committee actions. Members should plan on actively contributing to the work of the panel and/or its committees.
  
- I wish to be an Information Only member of the IEEE Gyro and Accelerometer Panel. Information only members are able to follow the work of the panel and its committees.

My primary interest in inertial sensors and/or systems is (chosed only one):

- Producer
- User
- General Interest
