

Operating Procedures of the IEEE/AESS Gyro and Accelerometer Panel

Date of Submittal: July 15, 2011
Date of Acceptance: 10 September 2011

0.0 Preface

This version of the operating procedures of the IEEE/AESS Gyro and Accelerometer Panel is effective 10 September 2011.

1.0 Introduction

In today's marketplace, standards development plays a critical role in product development and market share. In the IEEE, the responsibility for how a standard originates and evolves is managed by a Sponsor. It is essential in the management of a standard's development to avoid any actions by the Sponsor or the participants that result in a violation of procedures.

Adherence to these Operating Procedures is an essential asset in determining the applicability of IEEE's indemnification policy.

These Operating Procedures outline the orderly transaction of business of the Gyro and Accelerometer Panel for standards projects. For the development of standards, openness and due process must apply, which means that any person with a direct and material interest who meets the requirements of these Operating Procedures has a right to participate by

- a) Expressing a position and its basis,
- b) Having that position considered, and
- c) Appealing if adversely affected.

Due process allows for equity and fair play. In addition, due process requires openness and balance (i.e., the standards development process should strive to have a balance of interests and not to be dominated by any single interest category). However, for the IEEE Standards Sponsor ballot, there shall be a balance of interests without dominance by any single interest category.

Participants engaged in the development of standards must comply with applicable federal, state, and international laws. In addition, for standards matters, the latest versions of several documents take precedence over this document in the following order:

New York State Not-for-Profit Corporation Law
IEEE Certificate of Incorporation
IEEE Constitution
IEEE Bylaws
IEEE Policies
IEEE Board of Directors Resolutions
IEEE Standards Association Operations Manual
IEEE-SA Board of Governors Resolutions
IEEE-SA Standards Board Bylaws
IEEE-SA Standards Board Operations Manual
IEEE-SA Standards Board Resolutions
Operating Procedures of this Sponsor

Anything the Sponsor creates is hierarchically inferior to the documents and resolutions that are listed above its Operating Procedures. The Operating Procedures of the Sponsor are hierarchically superior to other documents of the Sponsor. *Robert's Rules of Order Newly Revised (RONR)* is the recommended guide on questions of parliamentary procedure not addressed in these procedures.

1.1 IEEE Sponsor scope

The Sponsor drafts and maintains documents for standard terminology, specification formats and test procedures, recommended practices and guides for, and thus promulgates understanding of, components and systems for detection or measurement of linear or angular motion.

1.2 Organization of the Sponsor

The Sponsor shall consist of officers (see clause 3), and other members.

2.0 Responsibilities of the Sponsor

The Sponsor shall be responsible for at least the following:

- a) Developing proposed IEEE standards and ensuring that they are within the scope of the Sponsor.
- b) Initiating and overseeing ballots of proposed IEEE standards within its scope, including:
 1. Approving PARs from a subgroup or the Sponsor
 2. Submitting a proposed Project Authorization Request (PAR) to the IEEE-SA Standards Board for consideration. Following approval of the PAR, the Sponsor shall submit necessary requests for extension, modification, or withdrawal of the PAR as required by the IEEE-SA Operations Manual
 3. Submitting draft standards from a subgroup or the Sponsor to the Standards Association for Sponsor ballot.
- c) Maintaining the standards developed by the Sponsor in accordance with the *IEEE-SA Standards Board Operations Manual*
- d) Responding to requests for interpretations of the standards developed by the Sponsor
- e) Acting on other matters requiring Sponsor effort as provided in these procedures
- f) Cooperating with other appropriate standards development organizations
- g) Protecting against actions taken in the name of the Sponsor without proper Sponsor authorization
- h) Limiting distribution of the membership roster to appropriate parties.
- i) Reporting annually to the [IEEE-SA Standards Board](#)

- j) Communicating with the IEEE-SA Standards Board on specific Sponsor activities as needed

2.1 Sponsor Website

The Sponsor shall maintain a website consisting of a public page and a private page. The Chair or a Chair appointee shall maintain the website.

The public page shall contain general information about the Sponsor, including its Operating Procedures, Operating Procedures of its working groups, membership application form, the yearly objectives of the Sponsor and working groups, a list of the current officers and their contact information for the Sponsor and working groups, a list of upcoming meetings, and announcements of the Industry Survey of documents.

The private page shall be accessible by a password provided to Sponsor voting members, working group voting and information-only members. The private page shall include the minutes of recent past meetings, copies of documents under development or in industry survey, the membership rosters of the Sponsor and working groups, and a form for such current members to renew their memberships for the next year.

3.0 Officers

There shall be a Chair, a Vice Chair, a Secretary, and an IEEE Liaison. If significant funds are involved in the operation of the Sponsor and/or its subgroups then there shall be a Treasurer. The term of office shall be one calendar year. Any officer may serve consecutive terms. A person may simultaneously hold the positions of Chair and IEEE Liaison, Vice Chair and IEEE Liaison, Secretary and IEEE Liaison, or Secretary and Treasurer. Any officer may, at his or her own discretion, serve until a successor is available.

Officers shall be members of any grade (except students) of the IEEE and members of the IEEE-SA. The officers shall organize the Sponsor; oversee the Sponsor's compliance with these Operating Procedures; and submit proposed documents approved by the Sponsor (with supporting documentation) for appropriate review and approval by the IEEE-SA Standards Board. Officers shall read the training material available through [IEEE Standards Development Online](#).

3.1 Election or appointment of officers

3.1.1 Chair and Vice Chair

The Sponsor shall elect a Chair and Vice Chair for a one year term of office.

The election of Chair and Vice Chair shall take place at the last scheduled meeting of each calendar year. Nominations shall be opened at the preceding meeting and shall remain open until a motion to close has been passed at the election meeting. The newly elected officers take office at the beginning of the next calendar year.

Any members (including working group members) participating (either present or by remote conferencing means) at the meetings at which nominations are open may nominate one or more voting members for Chair and Vice Chair. Nominees shall be eligible to hold the office for

which they are elected. A person shall be nominated for no more than one Sponsor office. Upon notification, the nominee has until nominations are closed to indicate acceptance or rejection of the nomination. If no nomination is received or accepted for an office, a temporary appointment shall be made in accordance with Clause 3.2.

Voting is restricted to sponsor voting members participating (either present or by remote conferencing means) at the election meeting. Voting shall be by secret ballot at the election meeting, with a majority of those voting required for validity. In the event that only one person has been nominated for an elective office, voting for that office shall be by acclamation. If no one person receives a majority of the vote, that person with the least vote shall be eliminated and another secret ballot taken.

If no quorum existed at the election meeting, the election will be scheduled for each subsequent meeting until a quorum is achieved. In such a case, the current officers will maintain their positions, if they choose not to resign, until the end of the meeting at which the election took place.

3.1.2 Secretary

The Chair shall appoint a Secretary for a one year term of office that is concurrent with the Chair's term of office.

3.1.3 Treasurer

If deemed required, the Chair shall appoint a Treasurer for a one year term of office that is concurrent with the Chair's term of office.

3.1.4 IEEE Liaison

The Chair shall appoint an IEEE Liaison for a one year term of office that is concurrent with the Chair's term of office.

3.1.5 Consecutive Terms

Any Sponsor officer (elected or appointed) may serve consecutive terms.

3.1.6 Election Precedence

Elections of Sponsor officers shall be held prior to elections of working group officers.

3.2 Temporary appointments to vacancies

If an office other than the Chair becomes vacant due to resignation, removal, lack of nomination at an election, or for another reason, a temporary appointment shall be made by the Chair for a period of up to 12 months. An appointment or election for the vacated office shall be made in accordance with requirements in Clause 3.0 and Clause 3.1 and the newly appointed or elected officer takes office immediately and for the remaining term of the vacated office.

3.3 Removal of officers

An officer (other than the chair) may be removed by a two-thirds vote of the voting members of the Sponsor. Grounds for removal shall be included in any motion to remove an officer. The

5.0 Subgroups created by the Sponsor

5.1 Administrative subgroups

When one or more subcommittees are formed to expedite the administrative work of the Sponsor (e.g., AdCom, ExCom), their formation (and later disbandment) requires a majority vote of the Sponsor as defined in Subclause 7.1, and approval by the IEEE-SA Standards Board.

5.2 Other subgroups

The formation and disbandment of other subgroups other than administrative subgroups (e.g., working groups, technical subcommittees, and writing groups) require approval by a majority vote of the Sponsor. The initial Chair of a subgroup shall be appointed by the Chair of the Sponsor. The scope and duties delegated to the subgroup shall be approved at the time it is formed, and subsequent changes in scope or duties shall also require approval by a majority vote of the Sponsor. The scope, duties, and membership of all subgroups shall be reviewed by the Sponsor annually. The charge to the subgroup shall clearly state which of the following complementary activities is appropriate:

1. The subgroup is responsible for the definitive content of one or more documents and for responding to views and objections thereon. Such subgroups shall maintain a membership roster and shall comply with the provisions for preparing standard(s).
2. The subgroup is responsible for assisting the Sponsor (for example, drafting all or a portion of a document, drafting responses to comments, drafting public statements on standards, or other purely advisory functions).

Subgroups follow the approved subgroup Operating Procedures, which are developed and maintained by the Sponsor.

5.3 Study Group

The Chair may form a Study Group for the purpose of developing a new PAR and determining availability of resources. This is usually done in the absence of any other group willing or able to develop a new project.

The life of a Study Group is limited to 6 months, and may be extended once for up to 6 more months with approval of the Chair of the Sponsor.

A Study Group is disbanded when it contributes its proposed PAR to the Sponsor Chair for submission to the IEEE-SA Standards Board via the IEEE-SA Standards Board New Standards Committee (NesCom).

5.4 Entity Working Groups

If a standards development group being formed has entity-based membership, the Sponsor shall:

1. Ensure that the entity standards working group adopts the baseline [Operating Procedures for Corporate Standards Working Groups](#) and review amendments to the Operating Procedures for Corporate Standards Working Groups to ensure that they are not in conflict with IEEE and not-for-profit corporation laws
2. Ensure working groups are made up of at least three (3) entity participants

6.0 Meetings

Sponsor meetings shall be held, as decided by the Sponsor Chair, or by petition of 5 or more voting members, to conduct business, such as making assignments, receiving reports of work, progressing draft standards, resolving differences among subgroups, and considering views and objections from any source. A 30-calendar day meeting notice and 14 day agenda shall be distributed at least to all members. Notification of the potential for action shall be included on any distributed agendas for meetings.

Please note that all IEEE Standards development meetings are open to anyone who has a material interest and wishes to attend. However, some meetings may occur in Executive Session (see Clause 6.3). It may be necessary to contact the meeting host in order to ensure that any arrangements for access to the meeting facility are made in a timely manner.

6.1 Quorum

A quorum must be identified before the initiation of Sponsor business at a meeting, but if a quorum is not present, actions may be taken subject to confirmation by letter or electronic ballot, as detailed in subclause 7.4. When the voting membership is less than 50 voting members, a quorum shall be defined as one-third of the current total voting membership. Otherwise a quorum shall be defined as 10% of the current total voting membership or 17, whichever is greater. Voting members who recuse themselves shall not be counted in the equation to determine whether a quorum exists.

6.2 Conduct

Meeting attendees shall demonstrate respect and courtesy toward each other and shall allow each participant a fair and equal opportunity to contribute to the meeting, in accordance with the [IEEE Code of Ethics](#).

All participants shall comply with all applicable laws (nation-based and international) and act in accordance with all IEEE Standards policies and procedures. Where applicable, participants shall comply with IEEE Policies Section 9.8 on Conflict of Interest.

6.3 Executive session

Meetings to discuss personnel or business matters (e.g., the negotiation of contracts), or for other appropriate non-public matters (e.g., the receipt of legal advice), may be conducted in Executive Session. Executive Session attendance may be limited to officers.

6.4 Meeting fees

The Sponsor may charge a meeting fee to cover the expenses of the Sponsor. The fee shall not be used to restrict participation by any interested parties. The Sponsor Officers shall set the meeting fees in consultation with those planning a particular meeting. Everyone who attends a meeting, except for those specifically excluded due to hardship, shall pay the meeting fee. In the event that a member of the Sponsor has a financial difficulty and is unable to pay the meeting fee, the member may apply to the Sponsor Chair for a partial or complete waiver of the meeting fee. The Chair shall make the decision to grant such relief. These discussions will remain private.

6.5 Minutes

The minutes shall record the essentials, including the following:

The Chair shall preside over the meeting. In the event that the Chair is absent, the Vice Chair shall preside over the meeting. In the event that both the Chair and the Vice Chair are absent, the Secretary shall preside over the meeting.

6.7 Remote participation

A voting member may participate by remote conferencing means and still be entitled to vote, provided that the voting member has been present for the entire discussion of the question.

6.5 Agenda

The agenda shall be consistent with the approved yearly objectives of the Sponsor and subgroups. Sponsor and subgroup objectives and priorities for the generation of documents shall be established at the first meeting of each calendar year and approved by majority vote.

7.0 Vote

An attempt to reach a consensus shall be made before voting takes place. Voting shall be by show of hands unless the presiding officer (see 6.6) deems a secret ballot is in order. The presiding officer shall not vote except to break a tie.

7.1 Approval of an action

Approval of an action requires approval by a majority (or two-thirds) vote as specified below in 7.1.1 and 7.1.2. A majority (or two-thirds) vote is defined as either:

- a) At a meeting (including teleconferences) where quorum has been established, a vote carried by majority (or two-thirds) approval of the votes cast (i.e., Approve or Do Not Approve votes, excluding abstentions) by the voting members in attendance.
- b) By electronic means (including email), a vote carried by majority (or two-thirds) of the votes cast (i.e., Approve or Do Not Approve votes, excluding abstentions), provided a majority of all the voting members of the Sponsor responded.

7.2 Approval of moving a draft standard to Sponsor ballot

Approval for moving a draft standard to Sponsor ballot, or approval of any substantive change in the scope of a standard proposed by a subgroup, shall be referred to the Sponsor for approval. The Sponsor may delegate approval authority and form a subgroup for this purpose. Approval to move a standard to Sponsor ballot from a subgroup requires a majority vote.

7.3 Proxy Voting

The Sponsor does not allow proxy voting.

7.4 Voting between meetings

The Sponsor shall be allowed to conduct Sponsor business between meetings at the discretion of the Chair by use of a letter or electronic ballot. If such actions are to be taken, they shall follow the rules of [IEEE Bylaw I-300.4\(4\)](#).

If correspondence between subcommittees or between working groups of different subcommittees involves issues or decisions (that is, non-routine matters) affecting other subcommittees, copies shall be sent to all affected subcommittee Chairs and the Sponsor officers.

8.2 External communication

Inquiries relating to the Sponsor should be directed to the Chair, and members should so inform individuals who raise such questions. All replies to inquiries shall be made through the Chair.

8.3 Public statements for standards

All Sponsor public communications shall comply with the policies of the *IEEE-SA Standards Board Operations Manual*.

Sponsor public statements shall not be released without prior approval by the Sponsor, which requires two-thirds vote per Clause 7.1.2 of these procedures.

8.3.2 Subgroup public statements

Subgroup public statements shall not be released without prior approval of the subgroup. Such public statements also require approval of the Sponsor.

Subgroup public statements shall be **identified** in the first paragraph of the public statement as being specifically the position of the subgroup. These statements shall be issued by the subgroup Chair and shall include the Sponsor Chair in the distribution. Such statements shall not bear the IEEE, the IEEE-SA, or the Sponsor logos.

8.3.3 Public statements to be issued by other entities

If the Sponsor wishes to go to another IEEE entity (as defined in Section 15 of the *IEEE Policy and Procedures*) to have that entity offer a public statement on a standards matter, they shall do so after agreement from the IEEE-SA Standards Board and after informing the IEEE-SA Board of Governors. Upon Sponsor approval, proposed public statements that need to be issued by other IEEE entities shall be forwarded to the IEEE-SA Standards Board Secretary for further action.

8.4 Informal communications

Informal communications shall not imply that they are a formal position of the IEEE, the IEEE-SA, or the Sponsor.

8.5 Standards publicity

The Sponsor is encouraged to prepare press releases and other forms of publicity to promote their activities. Please see subclause 5.1.4 of the *IEEE-SA Standards Board Operations Manual* for further instructions.

9.0 Interpretations

The procedures stated in the *IEEE-SA Standards Board Operations Manual* shall be followed.

Interpretations shall be approved by a two-thirds approval vote of the Sponsor or a group delegated by the Sponsor. Every effort should be made to ensure that the group reflects a balance of those who are materially interested.

10.0. Appeals

The Sponsor recognizes the right of appeal on procedural grounds. Every effort should be made to ensure that impartial handling of complaints regarding any action or inaction on the part of the Sponsor or its subgroups is performed in an identifiable manner.

10.1 Appeal brief

The appellant shall file a written appeal brief with the Secretary within 30 days after the date of notification of action of the Sponsor or its subgroups or at any time with respect to inaction. The appeal brief shall state the nature of the objection(s) including any adverse effects, the clause(s) of the procedures or the standard(s) that are at issue, actions or inaction that are at issue, and the specific remedial action(s) that would satisfy the appellant's concerns. The appellant shall include documentation supporting all statements in the appeal brief.

All issues regarding the action or inaction of the Sponsor or its subgroups shall be filed together in one appeal.

The Secretary shall send the appellant a written acknowledgment of receipt of the appeal brief within five working days of such receipt. The Chair and Vice Chair shall review the appeal brief and determine within ten days of receipt of the appeal brief whether the appeal deals with technical or procedural matters and should be heard by the Sponsor or deals with ethical matters and should be returned to the appellant with instructions to file the appeal with the IEEE Ethics and Member Conduct Committee or IEEE-SA Standards Conduct Committee, as appropriate.

If it is determined that the Sponsor should hear the appeal, the Secretary shall, within 20 days of receipt of the appeal brief, send the appellee a copy of the appeal brief and acknowledgment, and shall send the appellant and the appellee a written notice of the meeting at which the appeal will be addressed.

The appeal shall be put on the agenda for the next scheduled meeting that is at least 60 days after written notice was provided by the Secretary. New evidence meeting the requirements of 10.3 shall be provided at least two weeks before the meeting at which the appeal will be addressed.

10.2 Reply brief

Within 45 days of receipt of the appeal brief, the appellee may send the appellant and Secretary a written reply brief, which specifically and explicitly addresses each allegation of fact in the appeal brief to the extent of the appellee's knowledge. If the appellee furnishes a reply brief, the brief shall include documentation supporting all statements contained in the reply brief.

10.3 Conduct of the appeal

The appellant has the burden of demonstrating adverse effects, improper action(s) or inaction, and the efficacy of the requested remedial action. Each party may adduce other pertinent arguments, and Sponsor members may address questions to individuals. The Sponsor members shall only consider documentation included in the appeal brief and reply brief, unless

- a) Significant new evidence has come to light; and
- b) Such evidence reasonably was not available to the appellant or appellee, as appropriate, at the time of filing; and
- c) Such evidence was provided by the appellant or appellee, as appropriate, to the other parties as soon as it became available.

10.4 Appeal decision

The Sponsor shall not make findings with respect to ethical rules, but shall limit its consideration to procedural and technical matters. The Sponsor shall render its decision, based upon majority vote, in writing within 30 days of the meeting, stating findings of fact and conclusions, with reasons therefore, based on a preponderance of the evidence. Consideration may be given to the following positions, among others, in formulating the decision:

- a) Finding for the appellant, remanding the action to the appellee, with a specific statement of the issues and facts in regard to which fair and equitable action was not taken;
- b) Finding against the appellant, with a specific statement of the facts that demonstrate that appellant failed to meet its burden to demonstrate that fair and equitable treatment of the appellant was not taken;
- c) Finding that new, substantive evidence has been introduced, and remanding the entire action to the appropriate committee for reconsideration.

The Sponsor Secretary, shall notify the appellant, the appellee, and Sponsor members in writing of the appeal decision.

10.5 Request for re-hearing of the appeal decision

The appeal decision shall become final 30 days after it is issued, unless one of the parties files a written notice of request for re-hearing prior to that date with the Sponsor Secretary, based on new evidence, provided such new evidence existed at the time of the hearing, but was not reasonably available to either the appellant or appellee, as appropriate, at the meeting at which the appeal was addressed. In such case, the appeal decision shall be stayed pending review by the Chair and Vice Chair within 20 days of receipt of the written request. The review shall decide

- a) To adopt the appeal decision, and thereby deny the request for re-hearing; or
- b) To conduct a re-hearing; or
- c) At its discretion, to ask the IEEE-SA Standards Board to consider the matter.

Only one re-hearing can be conducted per appeal.

10.6 Informal settlement

The IEEE-SA encourages settlement of disputes at any time if the settlement is consistent with the objectives of the IEEE-SA Policies and Procedures. Any settlement (to which the parties agree in writing) that is consistent with these P & P, or an agreement to withdraw the appeal, will terminate the appeal process.
