

Advanced Distribution Automation Concepts for Reliability Improvement

Mark McGranaghan
Vice President, EPRI Solutions

mmcgranaghan@eprisolutions.com

IEEE 2005 Summer Power Meeting

June 15, 2005

Panel Session Overview

1. Distribution Vision 2010 – **Mark McGranaghan** for Bob Huber and Russell Fanning
2. UK Research Activities on Advanced Distribution Automation – **Graham Ault**
3. EPRI Research Plan for Distribution Automation – **Frank Goodman**
4. Application of Distributed Intelligence to Automatic Distribution Reconfiguration for Reliability Improvement – **Doug Staszsky**
5. Planning and Analysis Tools to Evaluate Distribution Automation Benefits – **Anil Pahwa**
6. Developing a Specification for Distribution Automation Implementation – **John McDonald**
