Subject: Working Group Meeting Agenda for July 22, 2008

The Voltage Quality Working Group will meet at the PES Summer Power Meeting in Pittsburgh, PA, on Tuesday, July 22, 2008 – 2:00-3:00 p.m. ET., at a room yet to be determined (likely at the Conference Center).

You are invited to attend. Please be on time as our normal 2 hours has been cut down to just one hour. With the shortened time we have an abbreviated agenda that will focus on just the P1250 document.

Agenda

- A. Welcome, Introductions, and Legal Statements—Dennis (5 min)
- B. Review and Approval of Minutes—Fred (5 min)
- C. Review of P1250 and Draft Document—Russ (45 min)
 - “Reflowed” outline—Dennis (10 min)
 - Marty’s sections—Marty (30 min)
 - Other sections—Individual reports (5 min)
- D. Upcoming Events & New Business—Dennis (5 min)
 - Next Webcall date & time—(2 min)
 - Action Item review—Fred (3 min)
