

IEEE-SASB Coordinating Committees/SCC04 - Electrical Insulation

- IEEE Std 1
 - IEEE Std 1 is in ballot. The latest recirculation ballot comments have been resolved.
 - The PAR is valid until Dec 2026. On track to complete work on this standard.
- SC04 Next Efforts
 - A meeting will be called for SC04 before the end of the year to move forward on the next standard to work on, either IEEE Std. 98 or IEEE Std. 99.
