

We will begin the day with a visit into the world of Billy Graham, one of the 20th century's most influential voices. Tour a reconstructed version of the home Billy Graham lived in from age 9 until he left for college. Fun facts: 80% of the two-story brick Colonial house on Park Road was built using elements of the original home! And when the family moved into this house, the best thing about it was indoor the plumbing—they no longer had to bathe in a washtub on the back porch!

Next up is lunch, served at Sea Level Charlotte. Named one of the "Six Best Seafood Restaurants in Charlotte" by *Charlotte Magazine* in September 2019, Sea Level prides itself on offering fresh seafood sourced straight from the Carolina coasts whenever possible. www.sealevelinc.com

Following lunch, you will craft your own signature scented candle at Paddywax Candle Bar and visit Atherton Mill and Market. Due to space limitations at the candle bar, the group will be split in half so everyone has the opportunity to experience both over the course of the afternoon. At the candle bar, choose your favorite vessel and fragrance before being led through each step of the candle-pouring process, and take home one of the most versatile and functional candle brands on the market. www.paddywax.com Explore Atherton Mill and Market's local boutiques as well as popular "big" brands. www.athertonmillandmarket.com
