

Spouse/Companion Tour - Tuesday, October 26

Today's bus tour will take you to Niagara Falls.

Each year, millions of people come to Table Rock for an up-close view of one of the world's most famous natural wonders - the incredible Niagara Falls. Table Rock is located right beside the Canadian Horseshoe Falls. No matter what the weather, the view is spectacular from Table Rock's two-level Grand Hall gallery.

While you are there, you have the choice of taking in some of the attractions such as "**Niagara's Fury**" which is located on the upper level, immediately above the main floor entrance, or visit "Journey Behind the Falls" at Table Rock.

Niagara Parks has recreated the amazing sights and sounds of the Creation of Niagara Falls. Incredible images developed with technology used previously only in satellites and medicine, will immerse you in a "4D", Universal Studios-style attraction.

Shows run daily every 30 minutes from 10:30 am to 4:00 pm. Admission price for adults is CAD\$15.00.

Before entering the Attraction, an 8-minute animated show features characters who explain how the Ice Age formed Niagara Falls. Then, you enter a specially designed, 360-degree theatre for a 6-minute experience that will make you feel like you were actually there for the Creation of the Falls. The temperature will drop 20 degrees. Water will bubble and spray while snow falls all around. Standing on a massive platform you will feel the full wrath of Mother Nature as the floor tilts and trembles beneath you.

Please note: Kids of all ages are welcome to enter Niagara's Fury however some scenes might be scary. Persons with a history of heart disease or back/neck injuries are advised to use caution.

Or perhaps you would rather **Journey Behind the Falls**. Since 1899, this has been the only place where you can actually go behind and below the massive Canadian Horseshoe Falls. Explore these historic tunnels and observation decks to get a closer look at the Horseshoe Falls. Admission price is CAD\$9.75 (not included in your tour registration fee).

Inside Table Rock you'll also find one-of-a-kind gifts and collectibles at a variety of unique shops.
