

# Join the ABB Coral Springs tour

You and your spouse or companion are invited to tour ABB's world-class facility in Coral Springs, Florida, where electromechanical relays and FT test switches are manufactured.

As a center of excellence, the ABB Coral Springs facility uses state-of-the-art equipment and manufacturing processes. As part of ABB's Power Products Medium Voltage Business Unit, Coral Springs prides itself on the following quality/certifications:

- ISO 9001:2000ISO
- ISO 14001
- Class 1E Certified
- OHSAS 18001
- MEOST Testing
- IPC/WHMA-A-620 Cable and Harness Certification

Choose one of two dates for the tour: Monday, April 20, 2009 or Tuesday April 21, 2009.

Transportation will be provided. Buses will depart the Hilton Downtown Miami Hotel at 7 pm and return before 10:30 pm. Light hors d'oeuvres will be served at the factory, but we suggest guests eat dinner before boarding the bus.

Cameras are not allowed, spouses/companions welcome.

No direct competitors please. ABB reserves the right to deny entry to direct competitors.

RSVP by March 27 to Alberto Zayas at [alberto.zayas@us.abb.com](mailto:alberto.zayas@us.abb.com).
