

Most control through AVB protocol

Jose Solis

04/08/2013

Reasoning

- Possible scenario where MOST needs to co-exist with EthernetAVB in a period of transition
- Possible scenario where MOST packets need to be transmitted over Ethernet AVB
- Scenario does not include streaming channel

Protocol

	0										1									2										3		
	0	1	2	3	4	5	6	7	8	9	0	1	2	3	4	5	6	7	8	9	0	1	2	3	4	5	6	7	8	9	0	1
