

DRNI model alternatives

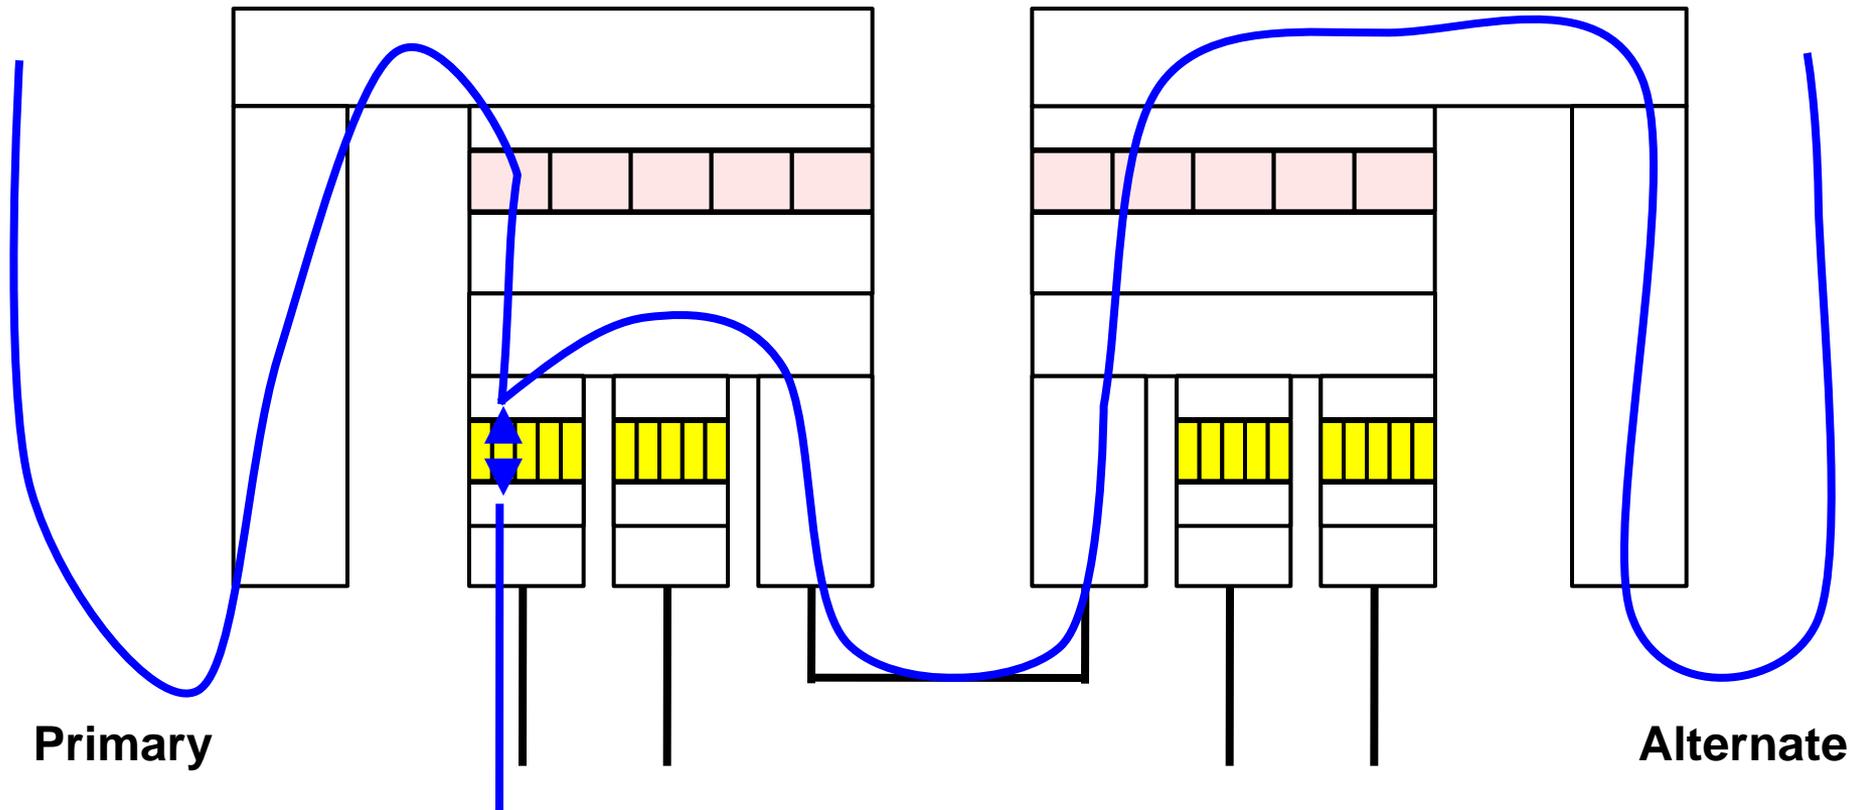

Alternative DRNI models

Rev. 1

Norman Finn

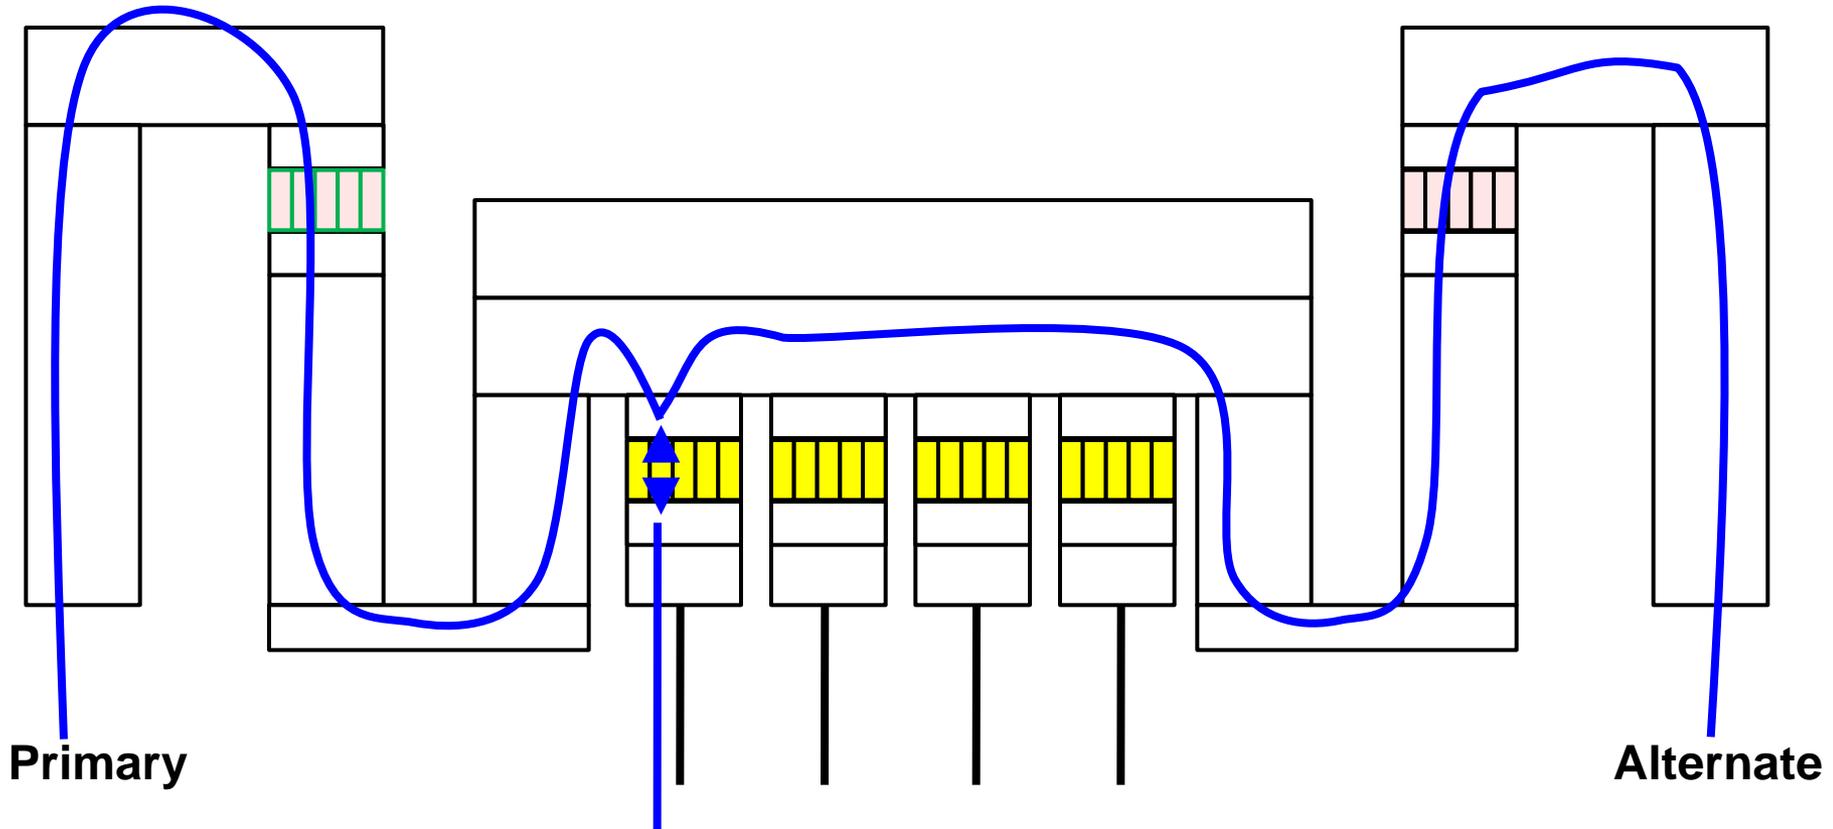

nfinn@cisco.com

Physical

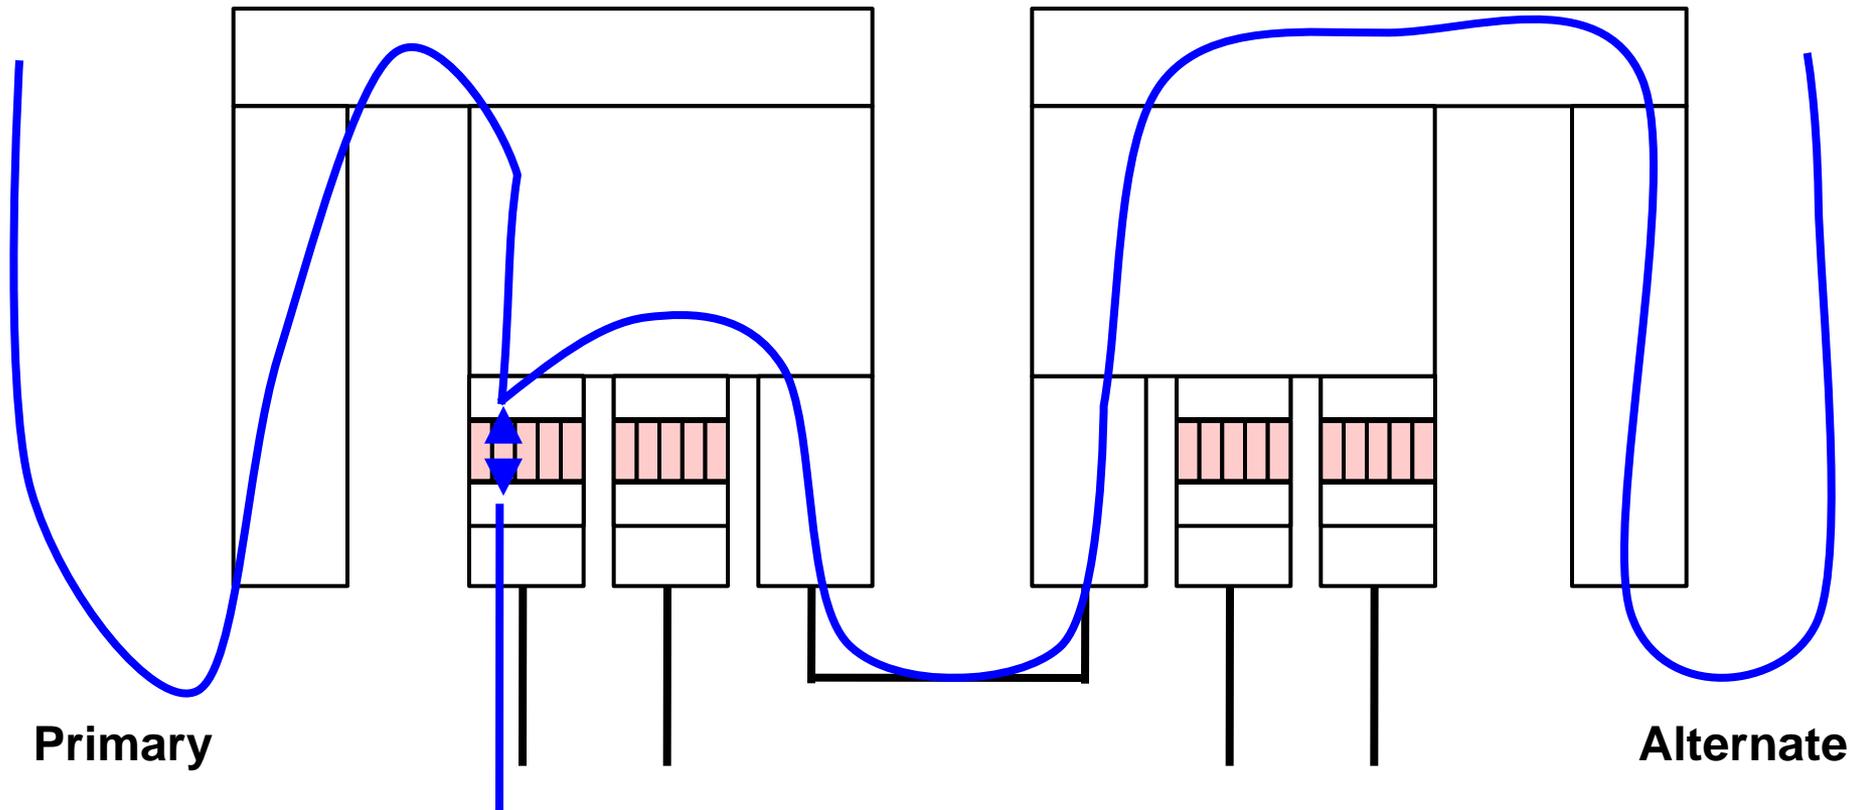

- This is the plan intended by 802.1AXbq D0.3
- A new layer of MEPs/MIPs is needed on physical ports.

Logical

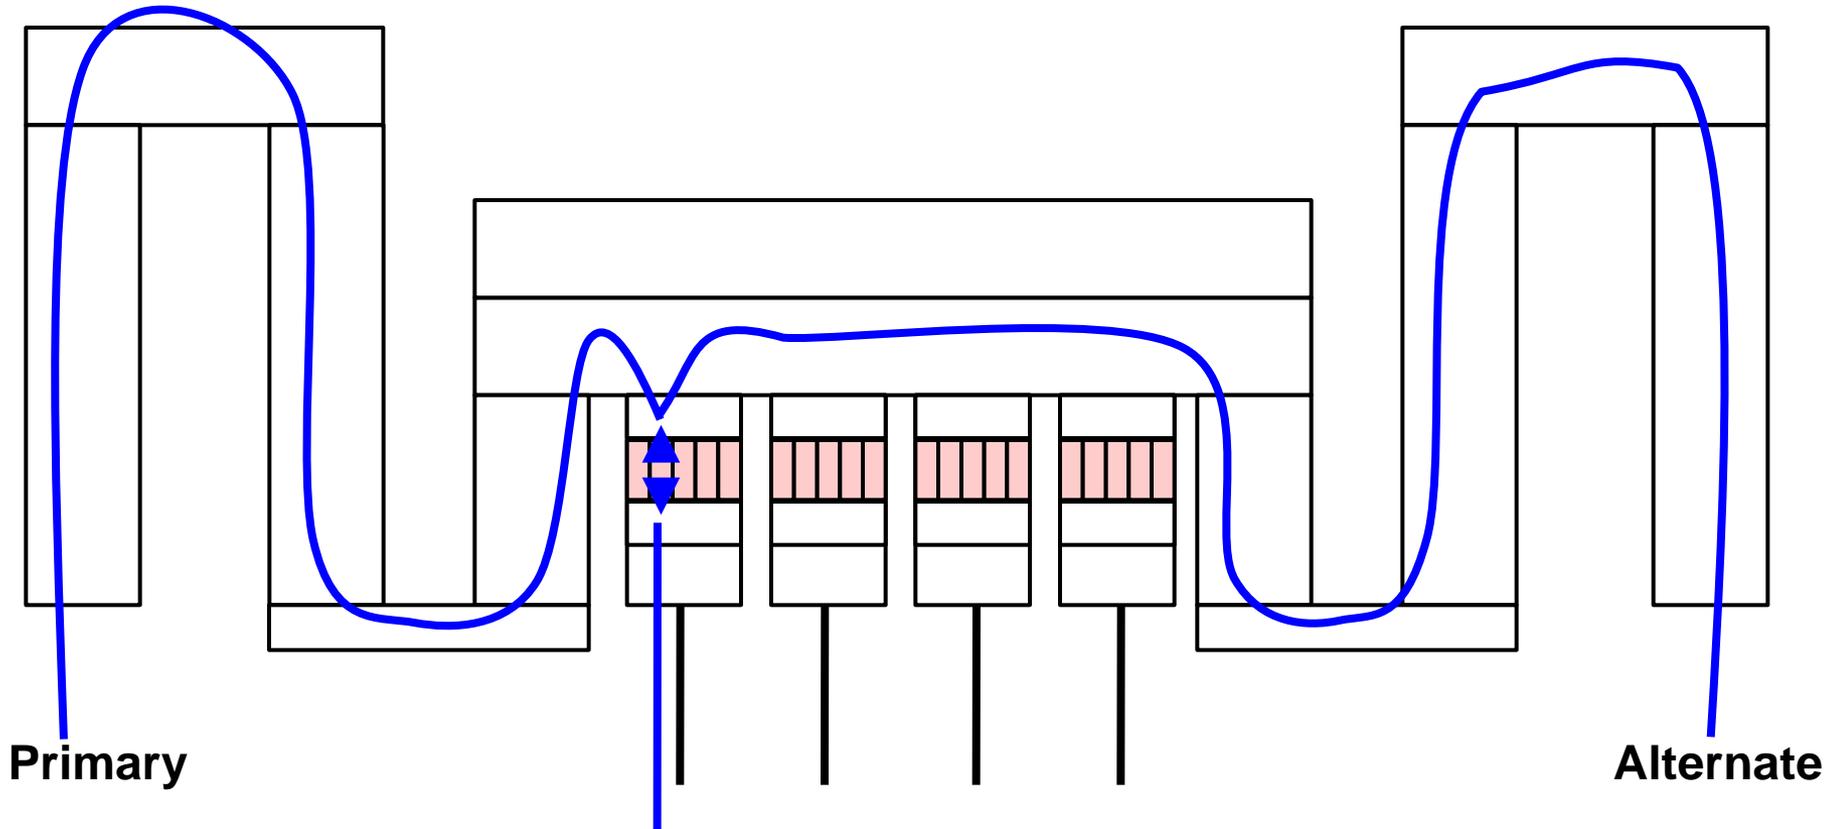

- This is the plan intended by 802.1AXbq D0.3
- A new layer of MEPs/MIPs is needed on physical ports.

Physical

- This is M. Visser's idea as understood by N. Finn
- Link Aggregation goes above the current MEPs/MIPs.

Logical

- This is M. Visser's idea as understood by N. Finn
- Link Aggregation goes above the current MEPs/MIPs.
