
OFFER TO HOST IEEE 802.1/802.3 JOINT INTERIM SESSION

May 2020, dates TBD

North America,

Location TBD

July 12, 2018

Our Mission – Advancing Ethernet

- We are dedicated to growing Ethernet Technology
 - Expanding the Ethernet ecosystem
 - Supporting Ethernet development through standards
 - Promoting Ethernet in both existing and emerging markets
- In 2012 we began supporting our mission by hosting our first IEEE meeting
- We want to continue serving the 802 Ethernet-related standards effort by hosting meetings annually; 2020 will be the 9th annual Ethernet Alliance-hosted Interim Meeting

Ethernet Alliance-Hosted Meeting

We will continue to provide:

- Comfortable venue conducive to TF & SG work
 - Competitive hotel room rates; targeted rate is \$199, not to exceed \$219
 - We strive to avoid additional hotel fees, and to include as many perks as possible in the group rate
- Affordable meeting fees
 - Early registration fee will not exceed \$440, and we will keep it lower if possible (goal is not to exceed \$400)
 - Late registration, and fees for attendees who do not stay at the designated meeting hotel, will be higher
 - Meeting fees, along with contributions from the Ethernet Alliance, will fund:
 - Meeting room rental
 - Continental breakfast and morning and afternoon breaks
 - AV support in all meeting rooms
 - Wireless network in all meeting rooms
 - Meeting planning and support
- Possible special event (schedule permitting)

Potential Locations

North American destination

- We will identify a property in the US or Canada that offers the best available accommodations for the group during the time period the group must meet
- Possible destinations include:
 - Louisville, Indianapolis, St. Louis, New Orleans or other central location
 - Savannah, Jacksonville, Tampa or other eastern location
 - Salt Lake City, Denver, Boise or other western location
 - Additional “2nd tier” cities
- When evaluating locations we consider:
 - Accessibility
 - Ambience
 - Weather
 - Value
 - Locations of other scheduled meetings

Meeting Planning

Ongoing process

- Meeting planner Lynn Kennedy, who is working now on arrangements for Ethernet Alliance-hosted May 2019 Interim (approved November 2017), will source a venue for 2020 during the coming year. The sooner we can begin the search, the more options we will be able to consider.

We hope you will accept this invitation
