

802.1CBdb/D1.4

Editor's report for the 3rd WG recirculation ballot comments resolution

C. Mangin

IEEE 802.1 electronic meeting

June, 2021

- P802.1CBdb draft 1.4 was prepared for the 3rd WG recirc ballot. Changes to D1.3 include:
 - Editorial changes to Cl. 12;
 - Correction of inconsistency between attached MIB source file and text in Cl. 11
 - Updated revision statements in MIB;
 - Clarification in description statements in the YANG modules.

- 59 respondents (83.1% of the voters pool)
