| IEEE 802.1 REVISION REQUEST 0008                                     |
+======================================================================+
```

DATE: 08Aug2011
NAME: Craig Gunther
COMPANY/AFFILIATION: Harman International
E-MAIL: craig.gunther@harman.com

REQUESTED REVISION:
     STANDARD: 802.1Q/D1.5
     CLAUSE NUMBER: A.21
     CLAUSE TITLE: MVRP

RATIONALE FOR REVISION:

Fix some apparent cut & paste errors when MVRP PICs were copied from
MMRP PICS. These are in the MVRP1 & MVRP2 PICS items on page 1177,
lines 21-25, in the Feature column. The references to MMRP are
incorrect
as are the clause references in the Feature column. I've underlined the
four typo corrections, below.

PROPOSED REVISION TEXT:

MVRP1
Does the implementation support the exchange of
MVRPDUs, using the generic MRPDU format defined in
_10.8_ to exchange MMRP-specific information, as defined in
_11.2_?

MVRP2
Is the _MVRP_ Application supported as defined in 11.2?

IMPACT ON EXISTING NETWORKS:

These are simple typos that would have already been understood by anyone
implementing the MRP/MMRP/MVRP protocols. There should be no impact
on existing networks.
