

Information about 802.11 TGbn ad hoc meeting hosted by Nokia on July 23-25, 2025, in Espoo, Finland

Meeting venue

The meeting will take place in the Nokia Campus, Espoo, Finland, which is ca. 15 km/10 miles from Helsinki city center. The address is Karakaari 7, 02610 Espoo, Finland. Please check for badges in the reception located in the building 7A as shown in the campus map below.

Check in for badges in the reception located in building 7A which looks like what's shown above

How to reach the meeting venue? (Updated due to changes in train services)

The Nokia Campus is ca. 15 km/10 miles northwest from Helsinki city center. You can reach the venue e.g., with taxi, or bus.

For information about train and bus connections, please check the Helsinki Regional Transportation web site: <https://www.hsl.fi/en>

Please note that commuter trains are not available to reach the close by train stop Kera because the track maintenance work this summer. This means that the earlier described option of L, E, or U train to Kera is not possible but one needs to use bus e.g.,

from Leppävaara station which is the end station for all the A and U trains. Bus stops are just few hundred meters northwest from the building 7A.

As the web site describes it: “No train service west of Leppävaara from 23 June to 27 July. E, L and Y trains will not run on. A trains run as usual. U trains between Helsinki-Leppävaara only. Westbound train services from Leppävaara will be replaced by buses. For replacement service see <https://hsl.fi/en/eska> and the Journey Planner.”

Much more information about the public transportation options including info about tickets and mobile app is available in the web site.
