Changing Emphasis
Bill Delveaux - Cisco

Fred Schindler – Cisco

Larry Shorthill – Philips Semi

D. Matthew Landry – Silicon Labs

Anoop Vetteth - Cisco

Steve Carlson – High Speed Design

Clay Stanford – Linear Tech

Mike McCormack – TI

Chad Jones – Cisco

Wael Diab – Broadcom

Suggestions to improve efficiency

- ## Where we are at:

  - ### We have a Task Force draft

  - ### We have been working comment resolution

  - ### We need to get to a Working Group draft

- ## Suggest:

  ### We have been working the comments "upside down" – easiest to hardest

  - ### Let's decide the hard stuff first… no more wordsmithing

  - ### Clear baseline accepted proposals (per objective)

    - #### eg: Layer 1 – diab_schindler_1106_1.pdf

    - #### http://www.ieee802.org/3/av/public/baseline.html
