Subject: Donation to IEEE 802.3 Working Group

Dear Rod,

On behalf of the IEEE 802.3 Working Group, I would like to thank you for hosting our interim meeting that was held in Quebec City, Canada and for the generous donation made by Tyco Electronics to the IEEE 802.3 Working Group. It is through the generosity and willingness of employers of IEEE 802.3 participants that the IEEE 802.3 Working Group and its Task Forces achieve their goals in the development of the next generation of Ethernet standards.

This letter also confirms that Mr. Booth received the check in the amount of US\$ 13,996.98 and that the funds have been deposited to the IEEE 802.3 Working Group bank account.

Yours sincerely,

David J. Law

Chair, IEEE 802.3 Working Group (David_Law@3Com.com)
