IEEE P802.3dd (PoDL of SPE Maint) Activities since March 2021 plenary

Met electronically every other week

Major items discussed, decisions made and actions

- Discussed various maintenance items to Clause 104, mainly related to operation with classification and features added for 10BASE-T1L

- Built consensus on individual changes

- Produced draft 0.2 showing changes

Current status

- Nearing end of reviewing changes

- Preparing to produce draft 1.0 and enter Task Force Review

IEEE P802.3dd (PoDL of SPE Maint) Plans

Goals for the plenary session meeting(s)

- Adopt changes presented to date

- Produce draft 1.0

Big ticket items

- Adopt timeline to align with revision project

Future

- Perform Task Force Review, Prepare to requests WG ballot in September

Questions?

Thank you!
