

# IEEE 802.3 New Ethernet Applications (NEA) Ad Hoc Opening Report

Jon Lewis  
Dell Technologies  
Denver, CO USA  
March 11, 2024

# IEEE 802.3 NEA Ad hoc

---

- Ad hoc Organization

Jon Lewis, IEEE 802.3 NEA Ad Hoc Chair

John D'Ambrosia, IEEE 802.3 NEA Ad Hoc Vice-Chair

- Ad hoc Web and Reflector Information

Home Page - [http://www.ieee802.org/3/ad\\_hoc/ngrates/index.html](http://www.ieee802.org/3/ad_hoc/ngrates/index.html)

Reflector Information – [http://www.ieee802.org/3/ad\\_hoc/ngrates/reflector.html](http://www.ieee802.org/3/ad_hoc/ngrates/reflector.html)

Approved ICAID – [http://www.ieee802.org/3/ad\\_hoc/ngrates/IC15-005-802d3\\_NEA\\_ICAID\\_approved\\_051218.pdf](http://www.ieee802.org/3/ad_hoc/ngrates/IC15-005-802d3_NEA_ICAID_approved_051218.pdf)

NEA Ad hoc Calls - [https://www.ieee802.org/3/ad\\_hoc/ngrates/public/calls/index.html](https://www.ieee802.org/3/ad_hoc/ngrates/public/calls/index.html)

## Activities since July Plenary Meeting

---

- Met at the November plenary meeting series
  - One Presentation: “Enhanced Ethernet for AI and HPC applications”

# This Week

---

- [IEEE 802.3 Call and Meeting Calendar](#)
- Not meeting this week as the next presenters need more time. We will meet in May, or perhaps earlier as a one-off meeting once ready.

# Questions?

# Thank you!
