Subject: Status of IEEE P802.3db Task Force

Approval: Agreed to at IEEE 802.3 Interim meeting, 20<sup>th</sup> May 2021

Dear Mr Palkert and members of INCITS T11.2,

The IEEE P802.3db 100 Gb/s, 200 Gb/s, and 400 Gb/s Short Reach Fiber Task Force has completed IEEE P802.3db™/D1.0 (attached). At this point in our process we are working towards a technically complete document for formal ballot.

We hope you find this helpful. We look forward to continued communications as both our projects progress.

Sincerely,  
David Law  
Chair, IEEE 802.3 Ethernet Working Group
