Abstract:	This LS responds to the liaisons from ITU-T SG21 and ITU-T SG9 on the Access Network Transport (ANT) and Home Network Transport (HNT) Standards Overviews and Work Plans and invites the ITU-T and ITU-R Study Groups and other standards organizations engaged in developing standards related to ANT and HNT to review and provide their updates on the HNT Standards Overview and Work Plan document, the web-based HNT Standards Overview, the ANT Standards Overview and Work Plan document and the web-based ANT Standards Overview.

ITU-T SG15 would like to thank:

- ITU-T SG9 for its liaison on the new version of the Access Network Transport (ANT) Standards Overview and Work Plan (**SG9-LS96/TD2-WP1**).

- ITU-T SG21 for its liaison on the new version of the Access Network Transport (ANT) / Home Network Transport (HNT) Standards Overview and Work Plan (**SG21-LS9/TD13-WP1**).

ITU-T SG15 would like to inform you that, at the end of study period 2022~2024, SG15 has decided to conclude ITU-T SG15 Question 1. Therefore, in the new study period 2025~2028, ITU-T SG15 Q2 will be responsible for updating the ANT Standards Overviews and Work Plan and ITU-T SG15 Q3 will be responsible for updating the HNT Standards Overviews and Work Plan.

During the ITU-T SG15 plenary meeting on 17-28 March 2025 in Geneva, SG15 confirms that the inputs provided in the above liaison statements from ITU-T SG9 and ITU-T SG21 have been considered in updating the ANT and HNT Standards Landscape and Work Plans. More details can be found in Web-based ANT Standards landscape, Web-based Home Network Transport (HNT) Standards Landscape, ITU-T SG15 Q2 Work Plan and ITU-T SG15 Q3 Work Plan.

The existing ANT standards are listed in the web-based ANT Standards Overview hosted in the web-based ITU-T Standards Landscape platform found on SG15 website on page "Documentation" and at URL ITU-T landscape for ICT standards - ANT.

Q2/15 would like to express thanks for your kind cooperation, especially to those organizations that have been previously contacted and made specific recommendations to update the ANT Standards Overview and Work Plan by LS.

As usual Q2/15 would like to draw your attention to the ANT Standards Overview and Work Plan and would appreciate any suggestions and comments.

The existing HNT standards are listed in the web-based HNT Standards Overview hosted in the web-based ITU-T Standards Landscape platform found on SG15 website on page "Documentation" and at URL ITU-T landscape for ICT standards - HNT.

Q3/15 would like to express thanks for your kind cooperation, especially to those organizations that have been previously contacted and made specific recommendations to update the HNT Standards Overview and Work Plan by LS.

As usual, Q3/15 would like to draw your attention to the HNT Standards Overview and Work Plan and would appreciate any suggestions and comments.

ITU-T SG15 will continue to keep you informed of the future revisions of the ANT and HNT Standards Overviews and Work Plans.

ITU-T SG15 looks forward to future liaisons with all pertinent ITU-T and ITU-R Study Groups, and other pertinent SDOs to keep the ANT Standards Overview and Work Plan and the HNT Standards Overview and Work Plan current, relevant and effective.
