STAX Museum of American Soul Music

Stax Records is synonymous with the creation of soul music and helped put Memphis on the map. Enjoy a fabulous evening of food and cheer surrounded by an amazing collection of more than 2,000 interactive exhibits, films, artifacts, items of memorabilia and galleries of musical history. www.staxmuseum.com

We will have access to the whole museum, including a photo booth where you can dress in costumes with props. Take home your own souvenir with a choice of backdrops, including standing next to Isaac Hayes' gold-plated, peacock blue 1972 Superfly Cadillac El Dorado!

Dinner will include an array of scrumptious southern delights, such as BBQ pulled pork with baked beans and coleslaw, or Gus's fried chicken with mashed potatoes and biscuits. You'll find fun tidbits like BLT stuffed tomatoes, crudité cups and a variety of flavorful skewers throughout the museum. Traditional roast beef au jus, salads, as well as vegetarian options and delectable desserts will leave you feeling stuffed!

Non-alcoholic beverages are included, with cash bar provided ... and rest assured, seating will be available!
