

IEEE PES Transformers Committee Spring 2023 Meeting

SAVE THE DATE

MILWAUKEE, WI • MARCH 19-23, 2023

Named the Midwest's "coolest" and "most-underrated" city by *Vogue* magazine, Milwaukee's downtown revival, walkable neighborhoods and long-standing history of industry and immigration, including strong German, Polish and Italian roots, make the "Cream City" a melting pot similar to that of the country's largest cities without the stuffy feeling and extraordinarily high costs of living. Set on the coast of Lake Michigan, Milwaukee prides itself on being a place that welcomes all people and has something for everyone. Explore all the city has to offer at www.visitmilwaukee.org.
