

## **IEEE/PES Transformers Committee Meeting**

Spring, 2003

Sheraton Capital Center

Raleigh, North Carolina

### **Tuesday Guest Luncheon Speaker**

**John W. Estey**

John W. Estey is President and Chief Executive Officer of S&C Electric Company, Chicago, Illinois, and Chairman of the Board and Chief Executive Officer of S&C Electric Canada Ltd., the Canadian subsidiary of S&C Electric Company.

John has served on the IEEE/Power Engineering Society Governing and Executive Boards since 1992 and currently is President of this Society. John also is a member of the Board of Directors of the National Electrical Manufacturers Association and The Executives' Club of Chicago.

John will talk about the PES Governing Board's plans, goals and challenges for 2003. He will also discuss ways the IEEE/PES can facilitate the work of the Transformers Committee.
