Raleigh Durham Area Tour

We will begin with a trip to Duke Chapel in Durham. As we drive through the Research Triangle Park, participants will learn about the many industries that call "RTP" home and how they have shaped our state's economy.

At Duke Chapel, we will tour the chapel and walk the Sara Duke Gardens, both are located on Duke University.

Lunch will be in Raleigh at the Cardinal Club, where we will enjoy a beautiful view of Raleigh from the top floor of the Hannover Building in downtown Raleigh. Following Lunch, we will take the short walk to the North Carolina History Museum and the North Carolina Museum of Natural Sciences.
