The North Carolina Museum of Art's collection spans more than 5,000 years, from ancient Egyptian artifacts to the latest in contemporary art. The hallmark of the collection is the Museum's European Galleries, boasting an enviable national and international reputation. The Galleries features masterworks of European painting and sculpture from the Renaissance through Impressionism. Following a tour of the museum, either with a guide or without, you will enjoy a wonderful dinner prepared by the Museum Cafe. The cafe offers an Eclectic fare, often classified as "great culinary art".
